

York Cycle Stand

Based upon the popular Sheffield hoop design, the York Cycle Stand has an integral sign panel. Manufactured from mild steel galvanised and polyester powder coated, this is a root fixed cycle stand with the option of being surface mounted.

As cycling is a fast-growing method of transportation, there is a real need for outdoor spaces to provide the facilities and products to ensure security for their owners. The York Cycle Stand allows you to do this, and also gives you a choice of colours to choose from too.
