

Stainless Sheffield Cycle Stand Surface Mounted

Named after the Steel City, simplicity is the key here, as our massively popular surface mounted Sheffield Cycle Stand is manufactured from grade 304 stainless steel or 316 stainless steel for more aggressive environments such as industrial or coastal areas, both with a brushed satin finish as standard or a bright polished finish.

The design allows this cycle stand to be used in any urban and rural landscape. It's a really cost-effective way to cater for your cycle users.
