Aspen Canopy

Aspen is a versatile freestanding monopitch canopy with steel beam supports with a softwood timber roof frame that is clad as standard with multiwall polycarbonate. A classic and durable option for protecting customers, employees, or pupils from the weather.

Customisable options include:

- Powder coating in a range of RAL colours
- Can be clad with UV stable PET sheeting
- Hardwood timbers
- Bespoke sizes available on request
- Surface or subsurface mounting
- Guttering

Advantages of this design include:

- Monopitch roof for water run-off
- Minimal design increases usable space beneath
- Does not require fixing to the building
- Extends usable outdoor space
- Low maintenance

Ideal for:

- Outdoor classrooms
- Waiting areas
- Courtyard covers
- Cycle parking
- Entrance canopies and walkways.

Our steel structures are manufactured to BS EN 1090 standards.
