

Square Flat Top Stainless Steel Bollard

This is a popular mainstay of the Bailey Streetscene product portfolio, and has a main body made from grade 304, or 316 stainless steel for more aggressive environments such as industrial or coastal areas. Brushed satin finish with square flat top.

This is a root fixed bollard that is a smart, contemporary option for ensuring that the edge of a structure, car park, or space, is easily and properly identified, or for separating or marking different areas.

L: 101mm x D: 101mm x H: 1200mm
