

Multiplicity Litter Bin

An excellent waste solution in a number of outdoor spaces, our new Multiplicity Litter Bin shares a visual vocabulary with the multiplicity illuminated bollard, in which robust verticals end in graceful winged forms. So, it's a modern looking bin suitable for many environments and places.

The litter bin is offered in single and double versions.

L: 361mm x D: 330mm / 662mm x H: 1172mm x Capacity: 68l / 136l
