

## Brunswick Bench

Perfect for parks, schools colleges, and similar outdoor spaces, the Brunswick Bench is manufactured from mild steel and then hot dipped galvanised to BS EN ISO 1461:2009 standard.

A surface mounted bench that is clad in timber slats and treated with an external stain to increase the lifespan of the timbers, this teams perfectly with the Brunswick Picnic Set to give any outdoor space a smart, uniform look whilst being extremely fit-for-purpose.
