

Derwent GRP Planter

The Derwent Planter is a new organic shaped planter which looks stunning in a granite effect or a black-stone effect finish. However, it also looks stylish in stone effect finishes and metallic finishes. Perfect for enhancing an entrance or doorway.

The Derwent is small enough to compliment an interior display, yet large enough to look stunning outdoors too, making it a perfect planter for any location.

Also available in any RAL colour matt, satin or gloss finishes.
