

## St Marks Pergola

The St Marks Pergola is a free-standing canopy with robust steel pillars and hardwood timber crossbeams that filter direct sunlight and provide an ambient shaded environment for an array of uses such as walkways and outdoor seating areas.

### Customisable options include:

- Choice of softwood or hardwood
- Powder coating in a range of RAL colours
- Bespoke sizes available on request

Coordinated accessories such as seating, tables and ashtrays

- Can be adapted to suit other uses such as enclosed cycle parking and bin storage

### Advantages of this design include:

- Does not require fixing to the building
- Can be designed to fit the space available
- Durable and Low Maintenance
- Increases usability and value of a space

### Ideal for:

- Residential
- Roof Terraces
- Business parks
- Schools/Universities

Our steel structures are manufactured to BS EN 1090 standards.
