

Podium Bench

The Podium Bench creates a focal point whether for casual meetings or events. Available in a variety of layouts from L-shaped corner units, long runs or amphitheatres with the option to include a backboard for added privacy and wind reduction.

If you're looking for a centrepiece for social spaces our team can design and manufacture a timber podium arrangement to your exact requirements.

The frame is manufactured in galvanised steel, then clad in either softwood (such as redwood) or hardwood (Sapele) with additional fixtures such as handrails and skate deterrents.

The large units can be pre-assembled in sections and delivered to site and then easily joined together.
