Hyde Seating

The beauty of the Hyde Range is its flexibility. This is a versatile and durable bench that can be adapted to the various requirements of clients. Simple and robust in design, it is available as a straight or curved bench, as well as a full 360 degree option.

This is a surface mounted bench, manufactured from treated timber slats on galvanised, powder coated 5mm mild steel box feet. The Hyde bench can be modified to suit user requirements making it a stunningly adaptable seating solution.

Customisable options include:

- Backrest

- Flexibility of design with straight, curved and full circle seating
- Anti-Skate studs
- Choice of timbers
- Powder coating in any RAL colour

Advantages of this design include:Â

- Surface mounted for easy installation
- Consistent look with matching bench and seat

Seating is ideal for:

- Residential
- Schools
- Town centres
- Â

Manufactured to suit customer requirements
