

Bradford Seating

The Bradford Bench and Seat is a sturdy, hard-wearing seating solution that is suitable for any outdoor area, especially busy town centres. The frame is manufactured from grade 304 stainless steel with a brushed satin finish, while the base and back consist of timber slats. The combination of the two materials creates a stylish and modern seat.

Available with grade 316 stainless steel for more aggressive environments such as industrial or coastal areas.

Customisable options include:

- Grade 316 stainless steel for industrial or coastal areas
- Optional armrests for the bench
- Anti-skate studs
- Surface mount with base plates
- Stainless Steel finish
- Choice of timbers

Advantages of this design include:

- Root fixed installation for a clean finish
- Stylish and modern design
- Consistent look with matching bench and seat
- Part of the Bradford range of coordinated street furniture
- Integral armrests for the seat

Seating is ideal for:

- Town Centres
- Retail Parks
- Public Spaces
