

Duo Planter

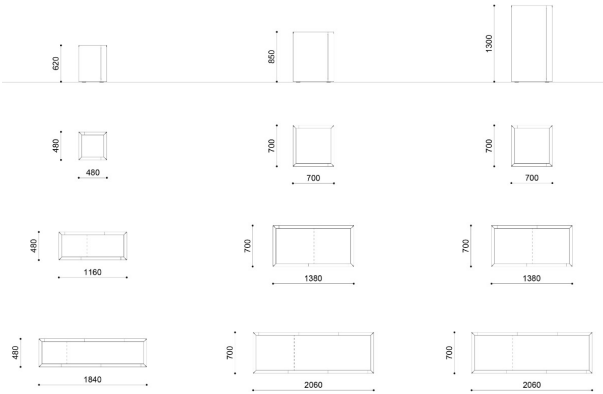

Collection of square and rectangular planters composed of two half-shells and a base, made of folded steel sheet, with adjustable support feet. The planters are available in corten steel, with a special sandblasting and oxidation cycle, in brushed stainless steel, and in steel.

All metal parts are galvanised and coated with thermosetting polyester powder, also two-tone (except for corten steel and stainless steel versions).

All fixings are in AISI304 stainless steel.

Freestanding with adjustable feet for levelling.

Various standard dimensions available
