

Easylift Premium Cycle Rack

The highest selling two tier system in Europe!

Easylift Premium is a highly convenient gas-assisted two level bicycle parking system. The lifting system ensures that a bicycle can be parked on the top level effortlessly. The end of the light-weight aluminium upper track rests on the ground so that the bicycle can simply be wheeled onto it and hardly has to be lifted at all. The two levels mean that the parking capacity is doubled!

Versatile - Can be configured to meet the number of spaces you require

Compliant - Gas assisted system that requires little effort from the cyclist

Secure - Secure at the front and/or rear of the bicycle with chain or D-lock

Easy to use - Designed to be easy to use and operate

Standard sizes starting from L: 1025mm x D: 1900mm x H: 1700mm
